PBATS Baseball Medicine Conference**

**January 18-20, 2018  
Glendale, Arizona**

Dear Exhibitor:

On behalf of the Professional Baseball Athletic Trainers Society (PBATS) we would like to extend an invitation to your company to exhibit at the 3rd Annual Lewis A. Yocum, MD Memorial Baseball Medicine Conference. This year's conference will be held at the Renaissance Hotel and Spa in Glendale Arizona, January 18-20, 2018.

The Baseball Medicine Conference brings together the elite of the professional baseball sports medicine community including athletic trainers, physical therapists, strength and conditioning coaches, and team physicians. In addition, collegiate, high school and clinical health care professionals who care for and treat baseball and softball injuries are in attendance. This year the Los Angeles Dodgers will host the conference.

The program begins Thursday afternoon and ends Friday evening. The tentative agenda and list of participating faculty can be viewed on our Website: [www.baseballmedicineconference.org](http://www.baseballmedicineconference.org). Once again, the exhibit halls will serve as the hub for conference events. On Friday evening a cocktail reception will be held in the exhibit hall. This has been a good opportunity for our vendors to discuss their products in a less formal environment. Morning breakfasts and coffee breaks will also occur in the exhibit hall.

We are looking forward to your company's attendance. If you have any questions or wish additional information on sponsorship opportunities for additional recognition at the course, please contact me at 310 308.0907 or you can email me at: [www.cmcarranza@aol.com](mailto:www.cmcarranza@aol.com).

Yours truly,

Chris Carranza  
Exhibit Coordinator
